Fun and Safety Signs - Introductory Set

Near

With flat hands bent at knuckles move hands together in front of body.

Touch

Touch back of one hand with middle finger of other hand.

Sponge

Close flat hand with palm up into fist as if squeezing a sponge.

Coral

Place one fist against body. Place other cupped hand on back of first fist.

Eel

Bring hand with thumb slightly apart from fingers, up and down through cupped fingers of other hand.

Question

Trace a question mark in water with pointed index finger.

In

Thrust fingers of one hand into cupped fingers of other hand.

Go

Point index fingers of both fists up. Move both hands down in an arc.

Hole

Touch finger tips and thumb tips. Hold at a 45 degree angle to body.

Eat

Touch thumb to finger tips then tap on lips or regulator.

Not

Move fist with thumb extended up rapidly down in an arc from chin.
